EBRPSS Magnet Application Period Information

The 2022-2023 Magnet application period will begin Monday, October 4, 2021, and extend until July 15, 2022, with clearly defined selection points. Unlike previous application periods, the enrollment portal will remain open even if seats are unavailable for a program. Applicants who apply by December 3, 2021, will be selected for seats *first* based on the board-approved selection process. Eligible applicants who apply after December 3, 2021, will be placed in a waiting pool if seats are no longer available.

Students who are eligible for a program will be selected for an available seat based on *when* they applied for a program and designated as follows and must be marked eligible within the time frame that an application was submitted:

Application Designation and Time Frame
